

Greater Manchester Education Trust Scheme of Delegation

Reviewed and adopted on 16.10.2023

Trust Governance Structure

Lines of Accountability

- The Trust Board (TB) is responsible for the three core governance functions (see below).
- The TB appoints the Chief Executive Officer (CEO), to whom it delegates responsibility for delivery of its vision and strategy and will hold the CEO to account for the conduct and performance of the Trust, including the performance of the academies within the Trust, and for its financial management.
- In turn, the CEO line manages the Executive Team and academies' headteachers will be line managed by the appropriate Executive Leader, setting their targets and performance managing them.
- The TB has overall responsibility for progress and attainment, financial affairs and the use of resources efficiently to maximise outcomes for pupils. It delegates, currently, authority for Audit, Finance and Resources to the Finance & Audit Committee. As a TB committee, at least three trustees must sit on it.
- The TB delegates some of its academy level monitoring and scrutinising functions to Local Academy Committees (LACs) and uses these committees to promote stakeholder engagement and as a point of consultation and representation. Trustees do not need to sit on Academy Committees and so lines of communication to the board of trustees must be clearly established. The CEO/Executive Lead will seek input from the chair of the LAC when undertaking the headteacher's performance management.
- At present an Interim Management Board (IMB) remains in place for TEMA, replacing the Local Academy Committee for that school. The purpose, functions and delegated responsibilities and authority for that board are detailed in its terms of reference which are included later in this document.
- Headteacher's are line managed by the CEO/appropriate Executive Leader the LAC carries out the governance function of holding the headteacher to account with the Chair of the LAC. They must be confident that the Trust's performance management systems are working well, and if not, how they can make the Trust aware of their concerns. The Headteacher of each School is responsible for the leadership and management of the School, in compliance with the Headteachers' Standards.
- The Headteacher is accountable in the first instance to their Local Academy Committee/Appropriate Executive Leader and ultimately to the CEO and the Trust Board.

The role and responsibilities of the Members

- The Members of the Trust are guardians of the governance of the Trust and as such have a different status to Trustees. Originally, they will have been the signatories to the Memorandum of Association and will have agreed the trust's first Articles of Association (the legal document which outlines the governance structure and how the Trust will operate). The

Articles of Association will also describe how Members are recruited and replaced, and how many of the Trustees the Members can appoint to the trust board. The Members appoint Trustees to ensure that the Trust's charitable object is carried out and so must be able to remove Trustees if they fail to fulfil this responsibility. Accordingly, the Trust Board submits an annual report on the performance of the Trust to the Members. Members are also responsible for approving any amendments made to the Trust's Articles of Association.

- There must be at least three Members, although the DfE prefer at least five, and while Members are permitted to be appointed as Trustees, in order to retain a degree of separation of powers between the Members and the Trust Board, and in line with DfE expectations, not all Members should be Trustees. Members are not permitted to be employees of the Multi Academy Trust (MAT).

The role and responsibilities of the Trustees

- The MAT is a charitable company and so Trustees are both Charity Trustees (within the terms of section 177(1) of the Charities Act 2011) and Company Directors. Because Trustees are bound by both charity and company law, the terms 'Trustees' and 'Directors' are often used interchangeably.
- The Trustees are responsible for the general control and management of the administration of the Trust, and in accordance with the provisions set out in the Memorandum and Articles of Association and its funding agreement, it is legally responsible and accountable for all statutory functions, for the performance of all academies within the Trust, and must approve a written Scheme of Delegation of Financial Powers that maintains robust internal control arrangements. In addition, the TB must carry out the three core governance functions, which are to:
 - Ensure clarity of vision, ethos, and strategic direction
 - Hold the CEO and Executive Leaders to account for the educational performance of the Trust's schools and their pupils, and the performance management of staff
 - Oversee the financial performance of the Trust and make sure its money is well spent.
 - The Trust Board appoints the Chief Executive Officer (CEO) to whom it delegates responsibility for the delivery of its vision and strategy. The Trust Board will hold the CEO to account for the conduct and performance of the Trust, including the performance of the academies within the Trust and for the Trust's financial management.
 - The Trust Board has overall responsibility for progress and attainment, financial affairs, and the use of resources efficiently to maximise outcomes for all pupils in the Trust's schools.

- The Trust Board appropriately delegates school level monitoring and scrutinising functions to the Local Academy Committee of each school, to promote stakeholder engagement, effective consultation, and representation.
- Trustees do not need to sit on LACs so lines of communication to the Trust Board have to be clearly established.
- The TB has the right to review and adapt its governance structure at any time which includes removing delegation.

The role and responsibilities of Trust Board Committees

- The TB establishes committees to carry out some of its governance functions which may include making decisions, although any decisions made will be deemed decisions of the Trust Board. The membership responsibilities of Board Committees are set out in the committees' terms of reference. The TB appoints Board Committee Chairs and Committee members according to their skills.
- The Multi Academy Trust Handbook makes it clear that the Trust Board 'should have a Finance Committee to which the board delegates financial scrutiny and oversight'. In this Trust the Finance Committee incorporates Audit as our income does not exceed the threshold for a separate committee to be required.

The role and responsibilities of the Chief Executive Officer (CEO)

- The CEO has the delegated responsibility for the operation of the Trust including the performance of the trust's academies and so the CEO/Appropriate Executive Lead performance manages the academy Headteachers. As there is the delegation of some governance functions to Academy Committees, this is usually with the Academy Committee Chair alongside.
- The CEO is the accounting officer so has overall responsibility for the operation of the Academy Trust's financial responsibilities and must ensure that the organisation is run with financial effectiveness and stability, avoiding waste and securing value for money.
- The CEO leads the executive management team of the Academy Trust. The CEO will delegate executive management functions to the executive management team and is accountable to the Trust Board for the performance of the executive management team.

- The CEO/Appropriate Executive Lead is involved in undertaking the performance management of each Headteacher of Schools in the Trust.

The role and responsibilities of the Executive Team

The Central Executive Team is the executive arm of the Board, determined by the CEO. Its functions are:

- a. To direct and support the operation of each Academy, developing strategic plans and policies in core areas of the operation in accordance with the direction of the Trust Board. These include risk, teaching and learning, leadership development, training, finance, HR and ICT.
- b. To manage the conversion of schools to Academies. The Central Executive Team carries out Due Diligence across the school to establish its position and identify any action required, and, with the DfE, LA and solicitors, manages the associated legal processes.
- c.

The role and responsibilities of the Local Academy Committees

- The Trustees establish Academy Committees to carry out its school level governance functions although, as Trustees are not required to sit on Academy Committees, decision making is limited.
- The Trustees will confirm the Chair/Vice Chair appointment and ensure that at least two parents are appointed to the Academy Committee. The Headteacher of each School will sit on their School's LAC.
- Chairs of the Local Academy Committees will attend the chairs network group with attendance from the CEO/Executive Team.
- Delegated functions and duties include:
- Building an understanding of how the school is led and managed and ensuring that it is conducted in accordance with Trust ethos, values, and strategic direction
- Monitoring whether the school is:
 - Working within agreed policies and consideration approval of relevant school policies.
 - Is meeting the agreed targets, in particular for student outcomes, behaviour and attendance and with particular regard for disadvantaged students and those with special educational needs and/or disabilities.
 - Agreeing school improvement priorities
 - Approve school staffing structure

- Determine school vision & strategy and agree key performance indicators in line with the trust vision
 - Participate in the appointment of the Headteacher for their School
 - Managing its finances well within the budget set by the Trust Board
 - Managing the school budgets and variances that arise in year and have a solid understanding of the school budget and associated financial KPIs against ESFA benchmarks.
 - Accountable for curriculum led financial planning ICLFP
 - Implementing statutory compliance and risk management
- Engaging with stakeholders and assuring itself of their views on key aspects of school life
 - Being a point of consultation and representation
 - Reporting to the board
 - Determining the extent to which all children, including those with special educational needs and/or disabilities and those who come from disadvantaged backgrounds, have access to a broad and balanced curriculum
 - Monitoring implementation of safeguarding, including through reporting from the Designated Safeguarding Lead and checking the SCR. Communicating any identified concerns to the Trust Board
 - Monitoring and challenging implementation of SEND policy and the provision for and performance of SEND students.
 - As a committee of the board, delegation can be removed at any time.

The role and responsibilities of Academy Headteachers

- The Academy Headteacher is responsible for the Leadership of the academy and is managed by the appropriate Executive Lead but reports to the Academy Committee on matters which have been delegated to it which may include an element of monitoring and scrutiny of the school's management processes.

This Scheme of Delegation aims to clarify:

- What the Local Academy Committees of the Trust will continue to deliver
- Where Trustees will support the Local Academy Committee in delivery
- Where the Trust will determine delivery
- sets out the Trust's approach to delegations between the different layers of governance within the Trust. It is a delegation by the Trustees under Article 105 of the Articles of Associations of certain powers and/or functions as detailed below.

The Scheme of Delegation should be read in conjunction with the Trust's Committee Terms of Reference and may only be altered or revoked by the Trustees.

The Trust's Scheme of Financial Delegation is set out in a separate document and supplements this document in respect of the delegation of financial powers and the operation of robust internal controls.

The Scheme is divided into five sections as follows:

- Strategy & Leadership;
