This is an exciting time for the academy and to help transform the life chances of students within East Manchester. As you will see from our recent Ofsted inspection report, we have driven rapid improvements to all areas and are ready to accelerate further. We are a growing academy and we are now looking to add further capacity to our team as we enter the next stage of our development; to become an exceptional school that ensures the children of East Manchester flourish both academically and socially. We are a forward thinking and happy school, we embrace research and work collaboratively with colleagues within and beyond our trust to drive standards.

This role would be an ideal opportunity for both experienced practitioners or ECTs. At TEMA, we have a strong commitment to professional development and we will ensure you are challenged and supported to be an excellent teacher. We are looking for someone who can inspire, motivate and challenge all students to develop their knowledge and skills whilst engendering a love of the subject.

Results have risen rapidly in recent years and all teachers benefit from a 20% PPA allowance and timetabled faculty slots to develop the curriculum and pedagogy that will enable students to achieve the high standards they are capable of. You will be a passionate advocate for students' learning and development and be relentless in your pursuit of excellence whilst providing high levels of challenge and support. You will work with a wide range of people both internally and externally to develop best practice and supportive relationships which ensure students realise their full potential. In return you will benefit from a highly supportive staff team both within the academy and across the trust and have personalised support and development to be exceptional in this role. We are utterly committed to working with people and developing potential.

The successful candidate will join an academy that is relentless in its drive to ensure our students and staff alike achieve their very best and our proud of themselves. We are proud to serve our diverse and inclusive community and wish to appoint a practitioner who shares our commitment to young people in challenging circumstances who believes that education is the best way to ensure social justice.

The East Manchester Academy is committed to safeguarding, child protection and promoting the well-being of children and young people and expects all staff to share this commitment. The successful candidate will be subject to an enhanced DBS check prior to starting.

We value our colleagues and also offer the following:

- A minimum 20% PPA allowance for all staff
- Joint PPA time for departments to plan collaboratively
- Bike2work scheme
- Gym membership
- Employee Assistance
- Health Cash Plan
- A comprehensive CPD programme to support pedagogical and leadership development
- A low stakes approach to QA to ensure teachers keep getting better
