

The school is seeking to appoint an enthusiastic and committed individual for the following role,

Teacher of Mathematics 0.6 FTE
Fixed Term – 1 Year (with the possibility of becoming permanent)
Required from January - December 2025
Applications from ECT's welcome

Parrs Wood High School is seeking to appoint an outstanding, well qualified and committed teacher of Mathematics. The successful candidate will be passionate and dedicated to improving standards and making a real difference for our richly diverse and truly comprehensive student body. With the ability to deliver engaging, outstanding lessons that challenge and motivate students across a range of abilities at Key Stages 3 and 4. The ability to teach Key Stage 5 is desirable. We would like to hear from enthusiastic teaching professionals who are passionate about their subject and enjoy supporting and challenging students to achieve their personal goals and aspirations.

Parrs Wood High School has realised significant year on year improvements in outcomes across three key stages, and we are passionate in our approach to provide a learning environment where students can exceed their academic and social expectations. Our significant improvements have been recognised by Ofsted where we were judged as Good in all areas. We are committed to improving opportunities and life chances for all our students, whether they aspire to Oxbridge Universities, first-class apprenticeship programmes or wish to enter the workplace with training.

Parrs Wood High School is committed to safeguarding and promoting the welfare of children and expects all staff to share this commitment. The successful applicant will be subject to an Enhanced DBS check and other pre-employment checks.

We understand that investing in our staff is the best investment in our students and offer a wide range of strategies to help our teachers and support staff be highly effective in their roles.
